

Injury Control Alberta Teleconference Brochure & Port Reservation

Welcome to the 2012 Alberta Injury Control Teleconference Season. As a new season begins our goals and objectives of the sessions remain the same. The goals of the sessions are to act as a forum for educational opportunities, information sharing and discussion for stakeholders.

We are excited to announce that we have 20 ports available to our participants at no charge. The first 20 participants to reserve will receive the sessions free of charge.

Our sessions run the second Wednesday of the month from 9:00-10:00 a.m. (MST). Season begins in February thru to May 2012, dates and speakers are listed below for further presentation descriptions please go to the ACICR website at www.acicr.ualberta.ca

Teleconference Registration:

To register for a teleconference session you need to reserve a port. We have 20 Ports available at no charge to the participant but we ask that you only reserve a port if you can guarantee attendance. Should we require more than 20 ports we will initiate a small fee as a cost recovery.

All Port reservations must be made in writing (please complete attached form) no less than 48 hours prior to the first teleconference. Reservations **must be made by email or fax no less than 48 hours prior to the teleconference.** All teleconference information is distributed via email to the individual /organization that registered. Please provide a current email address, every month a teleconference agenda and fax-back form will be forwarded to the email address submitted.

Register early to receive your FREE port.
